

Welcome!

In an effort to streamline our operations and improve customer service, the City of Modesto has implemented an Interactive Voice Response (IVR) system.

We encourage you to use the IVR system to fulfill many of your needs. You can use the system 24-hours a day, 7 days a week, 365 days a year to do many things:

- Schedule an Inspection
- Reschedule an Inspection
- Cancel an Inspection
- Check Inspection Status
- Check Plan Review Status

City of Modesto Automated Phone Permit Access

Quick Reference Guide

(209)571-5881

P.O. Box 642
Modesto, CA 95353

*Schedule, Reschedule or
Cancel an Inspection...
Just a Phone Call Away!*

www.selectrontechnologies.com

What You'll Need

- a. A touch-tone telephone.
- b. A site-specific Permit Number from your printed permit.
- b. Inspection Code (see the panel to the right for a complete list).

You will be prompted through the entire process. Press [*] at any time for more information on how to use the system. To return to the previous menu at any time, press the [#] key.

How It Works

To use the City of Modesto's Automated Phone Permit Access system, simply dial the direct line, **(209)571-5881**, and follow the simple instructions. It's available 24 hours a day, 7 days a week!

Choose Your Option

The Automated Phone Permit Access system prompts you each step of the way. You may perform multiple transactions during each call. At the end of the call you will be issued a confirmation number. We recommend that you keep a record of all of your confirmation numbers and associated transactions in case they are needed in the future.

Press [1] Schedule an Inspection
Press [2] Cancel an Inspection
Press [3] Obtain Inspection Results
Press [4] Hear Plan Review Status
Press [0] Transfer to Staff
Press [#] Disconnect and Hang Up
Press [*] Additional Information

1. Call the Automated Phone Permit Access system at **(209)571-5881**.
2. When the system answers, select English or Spanish.
3. Select the option you want (see the list above).
4. Enter your Permit Number when prompted.
5. Enter the inspection code, if necessary, for the type of inspection needed.

FOLLOW THE PROMPTS
