City of Modesto
Parks, Recreation and Neighborhoods

The 4.2-mile Virginia Corridor Trailway follows the old Tidewater Southern Railway line from Needham Avenue to Bangs Avenue. With numerous amenities, such as picnic areas, shade structures, barbecues and gardens, the Trailway is quickly becoming a favorite destination.

To ensure it remains as vibrant tomorrow as it is today, we are counting on your support.

All gifts are tax-deductible.

The Virginia Corridor Trailway has been made possible through generous grants and private donations from numerous service clubs, private businesses, and local families.

Your support of the Friends of the Virginia Corridor will be used to maintain and preserve all of the Trailway's pristine amenities.
