	<p>DATE ISSUED: 4-6-09</p>
	<p>DATE REVISED: 6-28-10</p>
	<p>APPROVED BY: Gary DeJesus</p>

The City utilizes industry standards as well as its own design, construction, and performance provisions for the installation of new sanitary sewer systems and the rehabilitation or repair of existing systems. These standards and provisions include, design procedures, construction standards and materials specifications that are necessary to have an effective sewer system. Copies of both the City’s ordinance and the sewer design standards can be obtained from the City’s website (www.modestogov.com).

Excerpts from the documents where these standards and provisions are found in Appendix C
