

<p>CITY OF MODESTO</p>  <p>WASTEWATER COLLECTIONS</p>	<p>VII. OVERFLOW EMERGENCY RESPONSE PLAN</p>
	<p>DATE ISSUED: 4-6-09</p>
	<p>DATE REVISED: 6-28-10</p>
	<p>APPROVED BY: Gary DeJesus</p>

The City responds to sanitary sewer overflows and other sewer emergencies according to a well established emergency response plan. This plan covers the necessary procedures and timeframes for properly handling an incident and mitigating its impacts including:

- A. Incident assessment
- B. Personnel contact and deployment
- C. Maintenance actions
- D. Environmental impact mitigation measures
- E. Public notification
- F. Internal communications and reporting
- G. On-going incident and system monitoring

The City of Modesto SSO Response Plan is located in Appendix D.
